Seminar

Seminar is not exactly a club, but it is a special organization of gifted students who work on individual specialized projects designed to promote advanced learning in the student's chosen area of study.

Seminar is directed by Ms. Sylvia Orman, Dr. Jack Rickard, Mr. Dave Silcox, and Mr. Jesse Hise. Areas of study are in art, social studies, science and English. An inter-disciplinary approach is used and students are encouraged to work in more than one area of study with more than one teacher.

Students are encouraged to involve themselves in community service, politics and ecology. Students have participated in youth orchestras, worked after school at the state legislature, and have held a Trash-Thon to clean up Central Avenue.

This year the Seminar class has had two trips. First semester there was a retreat at Greer, Arizona, and during the exam break there was a trip to San Diego.

Guest speakers are also a part of the Seminar course. Some of the speakers who have visited Central include state representatives Betty Morrison, D-District 25 and Jim Walsh, D-District 21, DiBar Singh, a yoga student, Diane Kalan, KTAR-TV reporter, and John Rhodes, house minority leader in congress.

Varsity Football

Ranked second only to St. Mary's, the Central Varsity football squad started the season with great expectations. And it might have been a perfect year except for three reasons: Brophy, South and Maryvale.

"The entire squad," said Head Coach Ray Laing, "made an outstanding effort. The offensive team was probably the best one we have had in many years."

But despite the outstanding effort, Central finished the year 7-3. The three losses were decided by a total of seven points.

Making All-District this year on the offensive squad were Skip Corley, David

Van Kalsbeek, Jeff Varner and Jeff Beall. On the defensive All-District unit, Central named Andy Cole and Jeff Taylor. Other team members making outstanding efforts were John Kenyon, Brian Burt, Geoffrey Waldrom, Greg Clapp, Tim Luper, Steve Ahearn, Del Hamman, Tony Greenan and Steve Rhue. John Torzala, Bobcat kicking specialist, tallied 30 of 32 extra points for the year.

"Next year," said Coach Laing, "much work will be needed as we lack experience but we feel we have people who can do it."

Above Right: John Kenyon blocks as Skip Corley attempts a pass. Right: Tom Duffy swarms the ball-carrier.

Brophy 9, Central 7

Central's hopes for a perfect season were quickly squashed by Brophy Prep when the Braves edged the Bobcats 9-7 in the season's opener for both squads. Quarterback Skip Corley accounted for Central's only touchdown.

Alhambra 7, Central 34

Skip Corley led the Bobcat's unrelenting offensive team to a 34-7 romp over Alhambra in the season's second game. The Bobcat defense

was designed to force Alhambra to pass, and the strategy succeeded. Skip Corley ran for two touchdowns. David Van Kalsbeek and Jeff Taylor each caught touchdown passes, and John Kenyon ran one in for the team's final tally of the contest.

West 0, Central 35

Against West, Central tried to control the football. The final score proved the plan successful, as Central rolled up 230 yards on the ground and passed for 83 more. The stingy Central defense limited West to 51 yards rushing, and only two pass completions out of 18 attempted.

Scoring for the Bobcats were Jeff Varner, John Kenyon, Jeff Taylor (pass from Skip Corley), and Mark August on a 33-yard pass interception.

Carl Hayden 14, Central 41

Again the Bobcats tried ball control, and the result was a 30-point win margin. Jeff Varner scored twice for the Bobcats, while John

Kenyon, Arnie Fonseca, Skip Corley and David Van Kalsbeek added single touchdowns

Camelback 14, Central 21

This was Central's first tough league game of the season. After scoring in the first few minutes of the game, the Bobcats became somewhat overconfident. Taking advantage of this attitude, the Spartans drove for two touchdowns. Skip Corley's two touchdowns and a deciding fourth quarter score by John Kenyon provided the margin for Central's fourth straight win

East 0, Central 31

This was the best overall game for the offensive and defensive teams," said Coach Loring. The offensive team controlled the ball well, and the defensive unit held East scoreless. In addition to Skip Corley's three touchdown runs, John Kenyon ran for one and Curtis Varner caught a pass for the final touchdown

evening, nearly setting a Class AAA football record for the most yardage gained in one game. The defense, however, allowed North to gain 291 yards and tally 15 points. Scoring for Central were John Kenyon (twice), Jeff Varner, Arnie Fonseca, Skip Corley from the ground, with Jeff Taylor and Tom Bennick adding touchdowns on pass plays from Corley.

South 16, Central 12

The game against the Rebels was, according to Coach Laing, the most difficult game of the entire season. The Bobcat defense could not control the size and speed of the South Mountain backs, and Central's offense could generate only two touchdowns. Central was guilty of several costly mistakes, and South capitalized by snapping the Bobcat six-game winning streak. Central's only two touchdowns were scored by quarterback Skip Corley.

This game was no problem for the Bobcats, and the score testifies to that fact. Scoring for the Central squad were Skip Corley (twice), Jeff Varner (twice), Del Hamman on an interception, and Robbie Losaker on a pass from Corley.

Maryvale 21, Central 20

"The final game, against Maryvale, was a difficult, but very good game," said Coach Laing. This was a game in which Central outplayed and outpenalized the opposing team. After both teams scored in the first few minutes of the opening quarter, the game became more difficult. Despite an outstanding team effort from Central, the Maryvale squad edged by the Bobcats by one point. Quarterback Skip Corley scored twice, and Jeff Taylor scored on a pass from Corley. Coach Laing added, "This was the first time in many years that an opposing team has run a kickoff return back for a touchdown."

J.V. Football

The Junior Varsity football team, led by Roger Goettl, Vent Robbins, Doug Thralls, and freshman John Seivert, rolled to a 9-0-1 record during the 1975 football season—the best mark in the past five years. Pete Torzala also established a JV record by toeing a 48-yard field goal.

"The Frosh Heavyweight football squad did not do as well as originally expected," said Coach Jake Eulberg. "We thought we had a number one team, but the team just didn't get it together." Coach Eulberg thinks there are many good prospects for next year's JV team, however. Among them are Bill Rejebian, Mike Beall, John Suddarth, Danny Velasco, and Jim Zent.

Varsity Cross Country

This year's Varsity boys' cross country team ranked eighth out of the 12 divisional squads. Outstanding during the season were juniors Jay Day and Mike Lawson, while Todd Van Sittert, Ryan Sales, Darrell Sandman, and Mark Van Benschoten also turned in good performances.

Despite a spirited team effort, Central was forced into a 6-6 season

Next year," said Coach Tietz, "the season looks promising because there is only one senior on the team. The rest will be back next year."

Girls' Varsity Cross Country

The Girls' Varsity cross country runners ended the season with an 8-0 record, a division championship over ten Phoenix Schools, and a solid claim to the state championship.

The team consisted of Lauri Cline, chosen as the outstanding runner, with Bonnie Tamis a close second. Both had developed the previous year from the track team. Eileen Keil, an AAU sprint runner, made her mark in her first year of long distance running.

The remaining three members, Debbie Silva, Cindy Adler, Debbie Martinez, with no experience developed into excellent long distance runners. A seventh runner, Kim Brown, was added for the last meet of the year.

Badminton

Due to some unlucky breaks in the badminton season, both Varsity and Junior Varsity ended with 3-7 records. There were, however, some out-standing performances in the divisional tournament. Sherri Harris won the singles with two wins, Jennifer Hauskins and Linda Triplett won doubles with three wins, and Janet Ramseyer, the most outstanding player, placed fourth in singles at the divisional tournament, and also went to state to take sixth place.

The Varsity Wrestling team ended the season eighth in the divisionals. The team would have won more games but due to some unfortunate injuries the squad was weakened during the season. Leading the team were John Kenvon, Steve Rider, and Mike Deaton.

"I think that the season next year should be a winning one," said coach Gary Chey. Leading the team next should be Larry Leavitt, David Gibson, Travis Holcombe, Mike Deaton, Ken Kunes, and Steve Rider.

Varsity Basketball

When you consider 11 of the 13 losses this year were by seven or less points, it becomes apparent that this year's Varsity provided a very exciting brand of basketball. The Bobcats managed to outscore all but seven of their opponents from the field, but were outscored in 14 games from the line. Free throws plagued the team the whole year, as did turnovers. Shooting only 55 percent from the line and averaging over 20 turn-overs per game did not add to the team's attack. The "Cats" were tenacious on defense, allowing only 53.8 points per game, which ranked second in the tough Phoenix AAA Division

One of the highlights of the season came when the Bobcats knocked off number two ranked Alhambra 49-44. It was a tremendous team effort with Tom Duffy, Steve Hart scoring 14 points each, Jeff Kemp with 10 points, and Bryan Gillis with eight blocked shots and 12 rebounds.

Jeff Kemp was the most consistent player throughout the year as he led the team in scoring, second in assists, and third in steals. Bryan Gillis led the team in rebounding and averaged over five blocked shots per game. Skip Corley led the team in assists and was the outstanding defensive player for the year. Steve Hart, a junior, led the team in steals and has lettered now in Varsity for two years. Tom Duffy and Jim Campbell, both juniors, started in most of the games, and with one year's experience of Varsity ball, they should be an asset next year.

Many fine efforts by Dan Boyd, Tom Tucker, Jeff Asper, Greg Clapp, Ray Jackson, and Robin Groves led to many successful games.

JV Basketball

Backed by great shooting and hustle, the JV basketball team ended the season with a proud 11-8 record. The backbone of the team was Brian Walker, Roger Goettl, Scott Podieski, Ron Alewine, Brad Pierzchalski, and Mark Tracht. Coach Lynn South said, "The over-all depth of the team was tremendous with all 13 players capable of being starters. This, along with a great attitude should make the Central Varsity a contender for the state championship in the years to come."

The golf team, coached by Mr Ken Troutt, is looking forward to an exciting season. "The team is down from last year," Coach Troutt said, "but the potential is there, and if fully realized they may work to a qualifying spot."

This year more competition has been added to encourage a successful season. Instead of just five members, who play at every match, there are eight golfers. In between matches, the eight members challenge each other for the five qualifying positions. "Good competition will make for a better team", says Coach Troutt

Varsity Baseball

The Varsity Baseball squad started the season with the goal of making the play-offs. With the team's experience and a strong hitting average, they are in contention for the league championship. Strength in hitting comes from Lou Greenan, Jeff Varner, and Skip Curley. Leading the outfielders are Jeff Taylor and Rusty Thumma, while the infield looks to Jeff Varner for the big play. John Abney is the ace pitcher for the Bobcats.

As for the future, Coach Bob Ruman said, "There is a good nucleus for next season's squad."

JV Baseball

As Freshmen, this year's JV squad compiled a record of 17-1. While this season the team didn't improve on that record, the JVer's still had a successful season. "They have a great deal of potential, and were hitting well," Coach Blake Moffat said.

Outstanding players this season were sluggers Brad Pierzchalski, Doug Mittendorf, and Mark Bush, and hurlers Craig Handerhan and Steve Willey. "Basically they are a good bunch of players," explained Coach Moffat.

Frosh Baseball

For the past seven years the Frosh Baseball team has suffered only one loss per season. This year the team may have fallen twice, but the winning spirit was still there. "The highlight of the season was the 4-3 win over rival Camelback," stated Coach Dean Hauf. "Dave Hill struck out 11 and gave up only three hits in the game."

The main nucleus of the team consists of David Hill, Lance Wells, and Mike Hubbs. They were assisted by Scott Schubert, John Seivert, Jim Griffen and Mike Beall.

Boys' Varsity Tennis

"Despite some unfortunate setbacks, the Boy's Varsity Tennis team performed admirably; in fact, the season would be considered a success by any standard except those of Central High School tennis," said Coach Dave Silcox.

The Varsity squad was undefeated for 92 games straight. This winning streak, that was started in 1968, was broken by Maryvale early in the season.

The team was led by Dave Trandal, Pat Leffard, and Todd Mason.

Girls' Varsity Tennis

The Varsity Girls' tennis team, coached by Mrs. Lyce Sanders, is looking forward to an undefeated season. Their roughest match so far was against Marvvalle, who was defeated 8-1. The most challenging match, however, will be against Camelback —and chances are that the squad will topple Camelback and win or place in the state tournament.

Outstanding players this season are Linda Robson, who placed second in the West High Invitational, and Kate Paddock and Kathy King whose double-team took fourth in the West High Invitational. "This is the strongest team we've had in over four years," reported Mrs. Sanders.

Outstanding players were undefeated Randy King, Bruce Renouard, Jim Norrid, Mark Williams, Mark Tinkham, Bob Williams and Mike Mombteau. "Our loss to Camelback was unfortunate, as three top players were not present. This team measures up to previous years and, before the loss to Camelback, the winning streak was 45 games," Coach Dave Silcox said

"There was a great team effort from each individual, which made for a great season," said Ms. Joyce Sanders, the girls' Freshman tennis coach. The girls' Freshman tennis team was undefeated in ten matches. Leading the team was Judy Guerin, who remained victorious all season.

Varsity Boys' Track

The Varsity Boys' Track team, being small in number, ended the season with a respectable 4-3 record. "The team," said Coach Dan Stone, "did a lot better in dual meets than I expected." Outstanding this season were distance runners Jay Day and Mike Lawson; hurdlers Jeff Kemp and Jorge Leis; David Van Kalsbeek, Andy Cole, and Del Hammon in field events; and Rick Black in the quarter mile.

Girls' Track

"We're stronger all over this year with more depth in our events," said Coach Elton Tietz about the Girls' Track. This proved to be true as the Bobcat Girls' whipped their first two opponents and lost only by six points to the top ranked East. Coach Tietz feels the toughest competition will come from Alhambra, East, South, and Camelback but with a good team effort all the potential is there.

This effort is coming from girls such as Laurie Cline, Eileen Keil, Liz Abney, Karen Dunlap, Donna Nelesen, Janet Ramseyer, Kathy Bogle, Karen Corley, and Julie Varner who have all done well

so far in the season. If all goes well, the Bobcats should be strong contenders for the State meet.

As far as next year goes, it should be even better as there are only a few seniors on the team.

JV Track

In the past Central has never had a very strong track team. Coach Gene Cox of the JV team believes this season has started track on the upswing. His squad had a 4-3-1 record, the tie going to East — one of their toughest competitors. Coach Cox, says he has some juniors and sophomores' who will be a big asset to the Varsity team next season.

Outstanding for the squad this season were Ken Moser in the one-half mile, Todd Van Sittert in the mile and two-mile, Chris Cline in the discus, and in pole vaulting Steve Colletti and Randy Foehner. Charlie Williams has much potential for the future.

Randy Foehner pole volts.

Frosh Track

This season the team did pretty well, said Coach Don Silver, Frosh Track coach. "This year's team has much potential for future Bobcat track teams. They have exceptional speed—this year we had the fastest sprinters. Our distance has much depth, and the broad jumpers are as good as the Varsity level," he added.

Those who showed outstanding performance in their events were, Robert Syzmanski, Jim Davis, Mike Thompson, Jesse Glazier, and Sid Fingerhut.

Swimming

The Central High School Swim team was confronted with the toughest schedule in the state, swimming half their meets against the top three teams. For this reason, the swimmers won only half their meets. Despite this record the team worked very hard and had no major problems during the season. Leading this coeducational team were swimmers Jeb Antrim, Jeff Gordon, Tony Vitoff, Jeff Rimmer, Philip Gyori, and divers Kim and Mark August.

Performance Dance

This year was the first for a separate performance dance class. It is just one indication of how dance has grown at Central. The performance class started with 14 girls who tried out for the class last year. To celebrate the Bicentennial the dancers created their "Bicentennial Dance" which commemorates the styles of dancing in the last 200 years of our history. The whole dance department put on a Bicentennial performance last November. The dancers owe much of the credit for such a successful year to Ms. Colleen Cook, head of the dance department, and Ms. Harriet Mitten, advanced dance teacher.

Tell me, friend, do you ever celebrate
Your life and the way you live it?
Do you find something to share every day?
Do you take it when life gives it?

Maybe your world is full of pain and hate,
You say your life has just gone wrong?
That's no excuse 'cause you made it that way
I made my life a song

You're alive—you're living -so enjoy it!
Take the time to look and to see
The world was made for you; don't destroy it.
Open up—let your soul be free

As the sky of peace and tranquility soon
 Begins to change, I know the heavens above
 Are angry, and soon the rain begins to fall.
 Lightening flashing, rolls of thunder
 Rippling across the sky. The wind blowing
 through the ruins, as if to wake them up.
 And then the storm
 Suddenly stops, and once more peacefulness
 And tranquility fills the sky

We took the boat, my friend and I
 To the island of the land of love
 Where the hills and valleys escape the
 clouds
 And up on top, where the skies are grey
 Shines the smiles of friends who care
 Yet my friend and I chose other lovers.
 Those with long loves of celestial pasta
 Where the stars of astrology had
 followed their lives
 But the bridge we now cross is one of
 uncertainty
 But this special love will let the
 perpetual light shine upon us.

I know it's strange and out of line,
 my friend
 But I'm scared of growing older
 This churning of golden blond to grey
 escapes my mind
 There is so much to do and I'm so young
 Uncertainty reigns
 I wish I knew all the right answers
 to live the kind of life
 right for me
 So when you find the recipe with everything,
 I'll climb aboard
 Because the train for freedom leaves tomorrow,
 And I'll be there

Two rows of blank faces sit before me.
One, though, stands out from all the rest
With hair flowing like soft, light clouds
She sits, deep in thought
Her eyes project a magic that
Captivates those who look within
Her face describes that of a
Spring, fresh water from the
Mountain after the snow has melted

Counseling

Many people at Central do not realize the vital part that the Counseling Department plays in the school's activities. The counselors give advice to students and parents about careers, college, school classes, and problems in private and school life.

Facilities include the Counseling Office and the Career College Center in Room 310, which has information about colleges, jobs and military service.

English

"The emphasis in the English Department now is on writing skills," said Mr. Hal Fortner, department chairman.

The reason for this strong emphasis on writing skills is to follow a three-stage plan set up by the state legislature to "Get back to the basics—reading, writing, and arithmetic."

Under the new program started by the English Department, freshmen and sophomores must take the required and prescribed courses to graduate. These classes will teach the basic writing skills.

Elective English classes will only be open to juniors and seniors. The end result will be fewer elective courses.

Math

"I believe Central students should be commended when they excel and should be encouraged to do the best they can," said Mr. Gerald Kempton, department head

Perhaps it is this philosophy that has made Central High be given national recognition for excellence in the state and national math tests

To encourage students to learn, a math learning center has been developed and is located in Rooms 324 and 325. In the center are computers, calculators, reference books, tapes, film strips, math games and many other materials

Also new this year is the personal tutoring given to students who did not pass the minimal math proficiency test.

Science

"Enrollment is still high and our advanced program is going strong," said Mr. Arnold Berett, chairman of the Science Department.

The experimental class, Chemistry IAC, taught by Mr. Dave Silcox, has been put in as a full-fledged class this year.

A new approach is being used in Chemistry 3-4, said Mr. Berett. The emphasis this year is on organic chemistry and doing many laboratory exercises.

Only one student, Becky Hale, is enrolled in the independent science study program. She is studying chromatography under the guidance of Mr. Berett.

Social Science

Because so many of the courses in the social studies program are required, no changes have been made in the curriculum this year. The only non-required courses are World History, World Geography, Urban Geography, and Sociology.

Foreign Language

Except for the discontinuation of Hebrew, the foreign language program is still prospering.

There is still high enrollment in all the language classes—German, Spanish, and French—and the clubs are very active this year, according to Ms. Rosa Rochin, department head.

Plans for a resource center are still being developed. Study booths have already been installed, and filmstrip projectors, audio-lingual equipment, and other individual study devices are going to be purchased in the future. Hopefully, the resource center will be complete by next year.

Business

"Students are beginning to realize that they should have a skill that is useful to them when they finish high school so that they can use it in finding a part-time job or for college," stated Mr. John Caceletto, head of the Business Department.

Increased enrollments in business classes and vocational education back up his statement.

This is a year of new developments in the business department. There are two new teachers, new equipment, and new classes.

The new teachers are Mr. James Long, who teaches COE and is from North High; and Mr. Robert Yordan, who received his teaching degree from the University of Arizona and is in his first year of teaching.

Three new classes have been added: Business English, College Shorthand, and Second Year Accounting.

Performing Arts

Two new classes have been added to the Performing Arts Department this year. General Music, a survey class, is open to any student who wants to take it and instructs in the history of music and music theory. This class is geared to the person with little musical background.

The other new class is piano instruction, a group course for students who wish to play the piano.

Two new teachers have joined the department. Mr. Doug Cotner is the new drama instructor, and Mr. Bernie Rolfe directs choral music.

For ambitious students, a harp class is being offered after school. So far there are four students in the class.

Physical Education

The new teachers in the Physical Education Department are Ms. Linda Karl and Mr. Gary Coley. Ms. Karl graduated from ASU and came to Central from Carl Hayden High, while Mr. Coley came from Maryvale High.

The new additions to the girls' athletic division are the softball team, coached by Mr. James Brown, and the cross country squad, coached by Mr. Roland Myers.

The boys' section has added an experimental weight training class, and is hopeful of adding eight new handball courts and enlarging the wrestling room.

Health

Instructing students in the methods of maintaining good physical and mental health is the goal of the Health Department

Health class, offered to sophomores, covers such subjects as sex and contraception, the use of drugs, first aid, and physical conditioning

With the addition of Mr. Gary Coley, the program is continuing to educate sophomores in the ways of healthful living.

Reading

"I personally feel that heterogeneous grouping of students is better than homogeneous grouping, as it allows students to be more successful in and after high school and not feel isolated," stated Ms. Bonita Kennedy, head of the Reading Department.

This year, the Minimal Reading Techniques program has been extended to all freshmen. It is a one semester class that concentrates on improving individual reading skills. Every student has an individualized program that makes use of the tapes, reading machines, filmstrips, and various reading material in the Reading Department.

One new teacher has been added, Ms. Betty Dianics, who formerly taught at South

Art

The Art Department at Central High exceeds most junior colleges in its curriculum and teaching, according to Mr. Frank Plettenberg, department head. "We do an outstanding job with the curriculum, covering more than some colleges."

All four art instructors are known in the valley in their particular specialty. Mr. Plettenberg works in ceramics, Ms. Orman sells and makes jewelry, Mr. Baldwin does sculpture work, and Ms. Tamuty works with tie-dying.

Students this year were aided in ceramics by the purchase of a gas-fired kiln. The department also added a lathe for working with wood.

Industrial Arts

This year the Industrial Arts Department is expanding. In December, remodeling was started on the industrial arts building and will be finished sometime next year.

Many new classes have been added to this year's curriculum. Students this year can learn fiberglassing and how to fabricate plastic—something that has never been taught before.

The Industrial Arts Department also has a new teacher this year, Mr. Anthony Fiore. He received his degree at ASU and substituted at many PUHS schools before coming to Central as a full-time teacher.

Home Economics

The newest thing in the Home Economics department this year is the Bachelor Survival class, taught by Mrs. Lillian Kotovsky. This class is designed to teach juniors and seniors how to take care of themselves. In the class, the guys learn many domestic skills including cooking, sewing, decorating, gardening, and craftwork.

The overall response to the class has been very good and most of the people taking it would agree that the skills they are learning are very relevant in today's society.

As Mrs. Kotovsky said, "Most young men will live outside home before they go into a marriage situation. They may also have to help in the home if their wife has to work. We try to prepare them for this."

Learning Disabilities

Under the direction of Ray Myers Central initiated a Learning Disabilities program this year.

The program, funded both by the district and the state of Arizona, was created as a result of state legislation.

The Learning Disabilities program serves the needs of students with emotional handicaps or learning problems. Students are selected on the basis of testing and recommendations by faculty, counselors, and parents.

Over 20 students are being served by the program.

Security

Mr. Ed Valdez, security director, and Ms. Donna Field, assistant director are responsible for keeping Central High secure from theft and vandalism.

Assisting in this task are four security aides, known to students at campus cops.

Security aides patrol the school during the day to maintain normalcy.

 who I B.S. my
 last 4 years with.

There ain't control high for all the things we got with other, remember, we live together, we have the subject, then there was homecoming and all the freshmen or students, what about all the freshmen or students what about all the Brown girls & all girls for me. Then the president and what that flipped a tree we flipped another, got me about the president after is, the next, the girl, acceptance of the upstate people (what else) but most of all the members! How bout it? But we don't forget each other.

Good luck future actors

-o All my friends
we've built our home at Central
and centered it around a tree which
grew together, and grew apart.
But WE'VE EXPERIENCED Life.

There is a place in my heart
for everyone at you, and I have
enjoyed your acquaintance and
our experiences in kindred at
Central and will always treasure
and love them. At times I may
have been unfair but I hope
that as time goes on
all will keep in contact
Good luck to everyone

Julie,
 Thanks for being such a
 good friend & putting up with
 me on the tennis court. I'll be
 considerate & try to play a
 possible thing time a piece of
 time. Don't know how that
 will turn out. I'll be there
 with you on a piece of time
 I'll be there

Julie
 a great & fun
 the car. I've had for the
 future & have a great summer
 love
 for that

In past years, the *Centralian* has not fared well with professional rating services because it was not "traditional" enough. Tradition is fine for church picnics and senior proms, but it just doesn't belong in a yearbook. Today's student is different, and the yearbook should reflect that difference.

The 1976 *Centralian*, with 304 pages, is the largest ever. We have emphasized the life of the Central High student throughout the yearbook, but we have not restricted ourselves to that area. Photography is an art form, and we have treated it as such. The 1976 *Centralian* has not only more pictures, but better pictures.

Quality: that is the tradition of the *Centralian*.

That gives me really happy to have you for such a
 nice friend, I think we will always have fun times together;
 enjoying talking to you and we are glad we are sometimes help
 each other with our occasional problems. I know how you are
 the year - had a lot of upsets, you were, saying things
 matters and losing my friends? but we would try to forget

about it now,
 and talking
 to me, my
 and my
 to my
 the year time
 reflecting on
 the problems
 a little about
 looking forward
 the future with
 a little patience,
 and then we
 will find
 a little more
 and then
 for my friends
 and my friends

Julie,
Two thousand years ago
a meteor landed in the settlement
of your ancestors. This increased
the evolutionary process. You
are the zenith of your kind.
See I never knew a Zenith before.
Good luck.

Your favorite short person,
Michael
Reel

Julie -
Even though we didn't
have any classes this year,
I still feel honored have been
in your classes. Practice tennis,
you have tremendous talent.
Next year I shall see
you in English.

Your humble Servant
and Omnipotent Tennis Coach
Alan J. Miller

To Julie,
the tennis team.
You'll win all the trophies
and be tops on the tennis
team. Good luck always in
everything you do - and keep
smiling!
M.M.

Julie,
Another year over & we
made it once again! Have
a good summer! Jim Lage

Hi Julie

The year has gone fast but
the memories don't leave fast, I'd
like to go out and party this summer
with you. I'm sure it will be a
blast!! Love
M.H.

Julie,
I can't believe we actually
made it through the year. I have
a good summer and I'm sure
I'll be seeing you around. Better
be careful with that race car
of yours. Take it easy

Love
Steve Rubin

Well Julie,
enough to make a
damn good summer
all your next year.
Love
Sincerely,
Steve Rubin

Julie,
Well here we are
at the end of our
first year. Can you
believe it? Next year
we're going to be BIG!!
Seniors (whoops, right?)
We've been through
some wild party together
and this year was no
different. However, ...
Next year is going to be
bigger and better (we)
just wait till graduation!!
I won't say good bye because
I'm sure you'll see you
this summer. Take care
and be good

F.d.t.s are better than Toyota

Julie -
It's really been fun
in all the clothes we've had
together this year. Have
a terrific summer
from Brown

Mark
Zobin

Julie,
Moby was a dick wasn't he?
Well there are the drinks.
Actually I enjoyed the work.
(There must be something wrong
with me). Anyway take care
this summer and if you
get the drift of any parties,
give "us" a call.

Love ya;

Mark of Might

Julie,
All the parties
were great. Have
a great summer and
keep in touch!

You're a really nice person. I'll
be in physics - but Mr. Hart. You always feel
like you're in trouble instead - how cool!

Make mistakes your own
way always - make love

Take Care!

Jonathan
Dickson

Julie -
Thank you for
keeping me up to
date on Mark.
I appreciate it.
It was good
having English
with you (we
didn't even argue
like we used to!)
Love
Cathy
Acr

Julie -
This year we haven't seen
as much of each other as
I would like too. Have
a great summer - keep
your chin up - keep
studying.
